

Decide Massage & Wellness offers an *“It’s Time for Yourself”* membership for those that want to take care of themselves month after month, and also take care of their pocketbooks by lowering the costs of massage. The memberships require a six month minimum commitment, but can be canceled at any time after six months by e-mailing us at [admin@decidemassage.com](mailto:admin@decidemassage.com).

Here’s what you’ll get for \$59 a month:

Lower Costs—You receive a one hour Swedish massage each month for your monthly membership. At \$59 that’s \$20 off our normal rate<sup>1</sup>. If you want a 90 minute massage or another one of our specialty massages you only need to pay for the upgrade cost, which is 25% off our normal rates. See the attached pricing sheet for details on the upgrade costs.

If you want an additional Swedish massage during that month, you would only need to pay \$59 for the hour—or the upgrade cost if you want another one of our services. You will not pay our off-the-street rate. As you’ll see below, if you can’t make your massage that month we will bank it for you to use later.

Family Plan—Life getting in the way? Spouse jealous of your monthly massages? Are your kids making it difficult to take time out for yourself? We’ve got your back! Share our membership plan with your wife, husband or significant other. Just declare one additional family member on your membership form at sign up and you (and your special someone) can decide who gets the 60 minute massage each month. And you both get our membership rates if you decide to add additional massages. What a great way to save money and be well across your household.

Refer a Friend—our members that get another person to sign up for a membership get 30 minutes added to their massage, or receive one of our upgrades (such as a sugar scrub or hot stone massage) at no additional cost.

<sup>1</sup> We will bill you \$59 monthly. You are not expected to pay for multiple months at once. Other than the \$59, no additional money is collected up front. You can cancel after six months or continue to enjoy the value of the membership and we will continue to bill your credit/debit card each month. If you can’t make your massage for that month we will bank your massages for as long as you remain a member in the program.

Massage911—We know that aches and ailments can come up with no warning. Once a year our members can use Massage911—call or e-mail us with a request for an immediate appointment. We will schedule an appointment within 72 hours (even if it requires an after-hours time slot) to address the problem<sup>2</sup>.

Banked Massages—Can't make your massage for the month? No problem. You can bank the massage and use it next month, or the month after that. We'll keep track of your banked massages for you. As long as you remain a member, they banked massages stay active.

Annual Membership Celebration—Once a year we have a private party. Our members are invited to this celebration, where we share some exciting stories, drink some wine and eat some delicious appetizers<sup>3</sup>.

Birthday—during your birthday month you can choose to either add 30 minutes to your massage, or receive one our our upgrades (such as a sugar scrub or hot stone massage) at no additional cost.

Decide Massage & Wellness reserves the right to adjust this membership plan, but will only do so after giving six-months' notice to members via e-mail, snail mail or text message.

<sup>2</sup> When utilizing the Massage911 feature, members calling or e-mailing DM&W should let us know they are using Massage911 so we can expedite the scheduling. At a few times during the year (due to vacations, training or conventions) we will be out of town and Massage911 will not be available. DM&W staff will reach out to all members advising them of those times in advance.

<sup>3</sup> DM&W will send out an invite to the celebration long enough in advance to allow it to fit into our members' schedule.
